**STIPULATION AND AMENDED SCHEDULING ORDER  
RE PHASE I TRIAL POOL CASES**

Plaintiffs hereby seek a continuance of the current discovery schedule for Phase I trial pool cases set by this Court on April 29, 2010. Plaintiffs are also seeking a similar continuance of the discovery deadlines in the trial pool cases in *In re NuvaRing Litigation*, before the Honorable Brian R. Martinotti, Judge of the Superior Court of New Jersey.

Defendants do not oppose Plaintiffs' request for a continuance of the deadlines as follows, and the parties hereby stipulate to the following proposed Amended Scheduling Order:

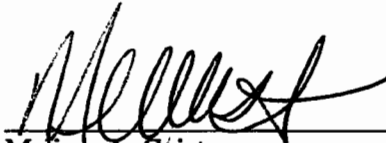

This Order shall apply to the Phase I potential bellwether trial pool cases, and will be modified only upon a showing of exceptional circumstances:

- All fact discovery shall be completed by June 24, 2011.
- Plaintiffs' experts shall be named and reports shall be served by July 25, 2011.
- Depositions of Plaintiffs' experts shall be completed by October 24, 2011.
- Defendants' experts shall be named and reports shall be served by November 21, 2011.
- Depositions of Defendants' experts shall be completed by February 20, 2012.

The Court will set a case management conference in the future to discuss with the parties the selection of the first case for trial and the setting of a trial date.
